

Canvass Brings In Over \$8,000, Estate Gives \$2,000 More

Chairman H. E. Lambert reported this week Red Cross campaign receipts totalling \$10,137.87 for Newmarket and surrounding districts attached to the Newmarket branch.

One \$2,000 subscription was made by the executors of an estate and cannot be included as a portion of the general drive funds. However, without this special subscription, the district exceeded the \$7,500 objective by \$627.87, an increase of \$400 over the previous campaign.

Mr. Lambert expressed his appreciation on behalf of the Red Cross Society to all who so generously supported the campaign. "A great deal of the success of the campaign is due to the untiring efforts of the canvassers, especially those in the

country, where they had adverse road conditions to face and had to use their own cars and gasoline," he said.

"To the merchants who so generously gave of their window space for advertising and to those merchants who co-operated by giving advertising space and to the press, which wholeheartedly gave of time and space, a very special 'thank you.' To our manufacturers who always support us so magnificently we can only say the objective could never have been reached without the loyal support given by you.

"It should be of interest to our citizens to know there was not one cent of expense to the Red Cross in taking care of the campaign at this branch."

Pickering Wins T. And D. Senior Basketball Title

Pickering College senior basketball team, representing the prep. group, lost to Etobicoke high school, suburban representatives, 23-26, Friday afternoon at Etobicoke, but won the round 48-47, in the second game of the Toronto and district senior inter-scholastic basketball play-offs.

Pickering took a four-point margin into the game. It was just enough to give them the title to the Wren cup.

Etobicoke got off to a slow start in the first half but ended it with a nine-point lead for the game and a five-point margin on the round. LaChance, Kirkby and Broad led their team-mates in piling up 20 points.

Moffat was responsible for seven of Pickering's points.

In the second half Pickering showed a slightly better ability to keep control of the ball and managed to mark up 12 points to Etobicoke's 6. With two minutes to go in the last quarter the score was tied.

Lanier dropped in a banked shot and Sansom put his team another point ahead by scoring a free throw. Etobicoke pressed and in the last hectic seconds Scully lifted a long shot that scored cleanly.

Pickering: Moffat (7), Thompson, Richardson (2), Sansom (3), Lanier (5), Kent, Coutu, Budgeon (6).

Pickering coach: C. R. Blackstock.

ARTIST IS PATRIOT

Joan Gibson, daughter of Mr. and Mrs. Roy Gibson, 29 Second St., Newmarket, raised \$16.20 for the Newmarket Veterans' Soldiers' Comforts fund on a picture which she painted with crayons herself. AIR CADETS ASK FOR FUNDS TO CARRY ON

Newmarket Air Cadets are launching a campaign for \$1,000, which includes \$500 for the Air Cadet League of Canada and \$500 for the Newmarket organization.

The money sought by the national organization throughout Canada is thought to be sufficient to finance the League for four or five years and to put it on a permanent basis.

The money sought by the Newmarket organization will be used to supplement \$750 already advanced by Newmarket Lions club.

Gifts may be given to the Air Cadets when they call or mailed to H. E. Lambert, Bank of Toronto, treasurer of the Newmarket Citizens' committee.

Lions Vice-President Herman Gilroy, who with ex-hockey star Larry Molynaux escorted Herbie Cain forward, said that with 82 points the Newmarket star broke a previous record of 73 points for any season of professional hockey. Each goal or assist counts one point.

Gilmor Nesbitt, Midland, district deputy governor of Lions clubs, was the guest speaker.

President Fred Thompson was in the chair, and paid tribute to Lyman Rose, Stan. Smith, Andrew Davis and others who had helped to start Herbie Cain on his career.

Plan To Build Memorial Hospital Wing This Year

Chairman W. H. Eves reported that there were 1,479 patients registered during the year and 297 births, which is an increase of 145 patients and 18 births over 1942, at the recent annual meeting of York County hospital board. Of the patients registered 349 were from Newmarket, 790 from York county and 43 from other parts of the province.

The daily average was 30.59 adults and 7.45 infants, and the total number of hospital days amounted to 13,885 as compared with 12,719 in 1942.

The cost per patient day amounted to \$3.11 as compared with \$3.10 in 1942, a slight decrease due to the crowded condition of the hospital.

During the year the hospital roof was repaired and several wards and halls were painted and also several of the rooms in the nurses' residence were redecorated.

During the year the board received an offer from Messrs. Audrey Davis, E. J. Davis, Jr., and Andrew Davis to erect a women's wing in memory of their mother and the board accepted the offer. Mr. Eves reported. In doing so it will be necessary to enlarge the present heating system, change the location of the elevator, enlarge kitchen and dining-room facilities and erect a new entrance, and it is planned to proceed with this building program as early in 1944 as possible.

The total cost of these alterations is estimated at \$50,000, of which approximately \$30,000 has been subscribed, leaving a balance of \$20,000 still to be obtained.

Operations for the year resulted in a small profit of \$800, the first in several years, reported Secretary-Treasurer W. A. Spear. He stated that this profit was due to an over-crowded condition of the hospital. During the year there were 30.59 adult patients per day as against a rated capacity of 30 beds.

Council Provides For Additional Constable And Public Health Nurse And Reduces Tax Rate

Newmarket town council on Tuesday evening adopted a budget which provided for:

(1) Employment of an additional constable with a bicycle, at a cost of \$1,300 for the balance of 1944;

(2) Employment of a public health nurse, at a cost of \$1,500 for the balance of 1944;

(3) A gift of \$2,000 to York County hospital building fund, in addition to the annual grant of \$1,000 (increased last year from \$600 to \$1,000);

(4) Over \$1,600 more to the public and separate schools than in 1943, and \$600 additional for fire protection to buy new hose;

(5) A tax rate reduced from 40 mills to 39 mills (made possible by a one-mill increase in the provincial subsidy).

The budget was adopted after only a few minutes discussion after a long debate on the question of a police constable.

Decision to engage a public health nurse was made on the casting vote of the mayor, who shared the surprise of other members of the council when Councillors Joseph Vale and Frank Bowser, following the decision to engage a constable, moved that the board of health be instructed to obtain a public health nurse.

The police committee made three alternative recommendations:

(1) Employment of another police constable and purchase of a police car;

(2) Employment of another constable, to use his own car and be reimbursed at seven cents a mile (\$700 for an estimated 10,000 miles in a year);

(3) Employment of another constable, to use a bicycle in summer time as done by Toronto police.

Following the discussion Councillors J. A. Perks and A. V. Higginson made a motion in favor of engaging a constable with a bicycle, to be charged to the town as a whole, and continuing present assessment of Main St. business section for something less than half of Main St. patrol cost.

Councillor Joseph Vale offered an amendment to have Main St. pay 75 percent of the Main St. patrol in accordance with the original agreement.

Mayor Dr. L. W. Dales asked the solicitor, N. L. Mathews, K.C., if such an amendment was in order, and Mr. Mathews suggested that the Perks-Higginson resolution should be divided into two resolutions.

Messrs. Perks and Higginson then moved that "the town engage another full-time police constable with a bicycle at the expense of the town as a whole."

For: Perks, Dixon, Higginson and Spillette.

Against: Lundy, Vale and Bowser.

Not voting: Evans.

Messrs. Perks and Higginson then moved that "the present night patrol on Main St. with the present assessment of costs be continued as in the 1943 tax roll."

Messrs. Vale and Evans moved an amendment providing for 75 percent of the cost of the Main St. night patrol to be collected from Main St.

For amendment: Evans and Vale.

Against amendment: Perks, Dixon, Higginson, Bowser, Spillette and Lundy.

For motion: Perks, Higginson, Dixon, Spillette and Lundy.

Against: Vale.

Not voting: Evans and Bowser.

"This action arises out of a demand from a section of the town," Mr. Vale said. "We had a demand from a section of the town a year ago. We turned it down for reasons of economy. I don't want it said that I'm more interested in protecting property than in protecting health."

Mr. Vale then presented the resolution moved by himself and Mr. Bowser, asking "that the board of health be instructed to obtain a duly qualified public health nurse for the town of Newmarket to be under the jurisdiction of the board of health."

"The mills of the gods grind slowly," said Mayor Dr. L. W. Dales. "This is a progressive step. It is long overdue. You are doing something that will perhaps go farther than you realize. The mothers of this town will thank you."

"This is something that every citizen will benefit from," said Mr. Bowser.

"There may be some difficulty in getting a nurse," said Dr. Dales.

"If you can't get a nurse, that is different," said Mr. Vale.

"This should have been put before the ratepayers," said Mr. Dixon.

Councillor A. D. Evans preferred the third plan, "a man on foot or bicycle." He wanted to know who the man was.

Mr. Dixon said that Chief Sloss had some men in mind.

WILL BE DELAYED

As there will be no rural delivery on Good Friday, rural route subscribers will not receive their Era and Express next week until Saturday morning.

Newmarket post office windows will be open until 11 a.m. on Friday.

Chief Sloss said: "No one is picked. I have thought of two or three men who might be interested."

"We adopt the plan and then you give us the man?" asked Mr. Evans.

Mr. Dixon said that he was satisfied to let Chief Sloss select the constable.

Mr. Vale said that the Main St. business section got 100 percent of the night man's services and should therefore pay 75 percent of the cost, instead of about 50 percent as at present.

"If you don't charge the north end anything, and you charge Main St. people more, you are going to get into difficulty," said Mr. Mathews.

Mr. Lundy was willing to give the north end business men police protection if they wished to pay for it.

"I think that the town of Newmarket can be protected by the present constables except for the present situation," said Councillor Joseph Vale. "I think Sloss and Watt should be recognized for their extra work."

Mr. Vale was willing to employ an extra man temporarily, even until the end of the year, but he was opposed to the principle of having two permanent constables in the town. Mr. Lundy expressed agreement.

Mayor Dr. Dales said that Constable Mount was going to leave the town's employ at the end of June. Mr. Dixon said that Chief Sloss was working 24 hours a day.

Mr. Spillette wanted the north end to pay something if Main St. was to pay 75 percent of the Main St. patrol. He was satisfied that the north end should make no special payment if the Main St. assessment was to be left as it is at about 50 percent.

Mr. Mathews said that the original purpose of the Main St. night patrol was to watch for fire, and that the business men had not required a policeman, who naturally was paid more than a watchman. He also said that Main St. did not get 100 percent of the night patrol man's time.

Against: Dixon, Higginson, Evans and Lundy.

Mr. Lundy then presented the budget which provided for a 38 mills rate. The council agreed to add \$1,300 to the police committee estimates and \$1,500 to the board of health estimates.

In order to keep the mill rate at 39 Mr. Evans volunteered a reduction of \$500 in the water and light committee estimates, and Mr. Dixon volunteered a reduction of \$250 in the property committee estimates.

Discussion Constable

In the earlier discussion of engaging an extra constable Councillor Frank Bowser argued that the north end business men had expressed willingness to contribute to the cost and the council should accept that offer.

"The police committee is unanimous that we don't want any more police in this town who are tied to any particular section," said Mayor Dr. L. W. Dales. "In view of the conditions that exist now, and are likely to exist after the war, we need another man, and this town can well afford it."

N. L. Mathews, K.C., clerk and solicitor, suggested that the constable use a bicycle as is done in Toronto.

Councillor Albert V. Higginson believed that a "cruiser is the only thing." He believed that Connaught gardens would benefit as much from a police officer as would the north end business area.

Councillor J. A. Perks said that "this would be a moving patrol, not a door-trying patrol." "Isn't it door-trying that is wanted?" asked Reeve Fred A. Lundy.

"We don't think that that is necessary," said Mr. Perks.

Councillor J. L. Spillette said that he had changed his mind, and that he thought the mayor had the "right slant." He was concerned about the capital expenditure of \$1,400.

"Remember that the capital expenditure is only this year," said Dr. Dales. "Next year we will have the depreciation only. And we will drop the expenditure toward Chief Sloss' car."

The amount paid to Chief Sloss was \$9 a week and seven cents a mile outside of the town, said Dr. Dales. The cruiser would not go outside the town, and it would still be necessary to pay Chief Sloss for trips outside Newmarket.

Councillor A. D. Evans preferred the third plan, "a man on foot or bicycle." He wanted to know who the man was.

Mr. Dixon said that Chief Sloss had some men in mind.

"MIDLING" ALONG

In humble mood a Newmarket clergyman on Sunday morning recalled that Macaulay had little use for the church and that on the rare occasions when he attended church was wont to note in his diary "a poor sermon." The greatest praise he ever gave in his diary was "a middling sermon." The preacher went on to say that it was quite true, that sermons were inclined to be "middling," and yet, he said, people still came to church hoping that even in a poor sermon they would find something to satisfy their hunger.

Macaulay was a genius. Even as a boy he performed remarkable feats of memory. He could read half a dozen books in the time an ordinary person could skim one book. As a writer he had a gift for devouring great quantities of information and fashioning it all into one flowing, convincing, fascinating story. Obviously, the world cannot provide a Macaulay for every pulpit, and, comfortably, those who do preach need not fear the presence of an impatient Macaulay in the congregation, with a diary awaiting him at home.

If there is a fault in our churches it is not to any great extent in our clergymen. Generally speaking, we have in our pulpits men of good ability who are preaching "middling" to excellent sermons and, more important, are living sacrificial lives. Our churches are as strong and as useful as we make them. Our ministers do a job which corresponds roughly to the encouragement they receive.

Some are better preachers than others, but there are usually empty pews even in the churches of the best-known city preachers. Some are better pastors than others but all sincere pastors do a worth-while job. Both preachers and pastors would do better, just as each of us does better in his or her own job, with more encouragement.

Doctors have the encouragement of a steady demand on their services and good remuneration. Clergymen often have both empty pews and low salaries to discourage them, yet they carry on, doing their chosen work, brightening the lives of others and leavening the world with the gospel of happiness in service. "In spite of all temptations"

to belong to other professions, they keep "middling" along.

ENCOURAGEMENT FOR DREW

Haldimand-Norfolk has returned a Progressive-Conservative candidate by an increased majority compared with the election of last summer. That should be encouraging to Premier George Drew, and make him realize that there is a public readiness to appreciate his efforts to carry out pre-election pledges.

In the last election the Liberal candidate, Eric Cross, gave the Progressive-Conservative a close run, but the Liberal in this by-election has dropped down below the C.C.F. candidate. That is natural. The Liberals are the third party in the legislature, and the public tendency will be to regard the Conservatives and the C.C.F. as the two chief parties in Ontario politics. The C.C.F. did much better than in the 1943 election.

WHAT OTHERS THINK

NAMBY-PAMBY CHRISTIANITY

(Midland Free Press Herald)

Jesus Christ is no "softie." He demonstrated that on more than one occasion during His life on earth.

At times He was far from the "Gentle Jesus meek and mild" of the children's hymn. He took a whip and drove the money changers out of the temple, and it was the sting of His lash as much as the bite of His words that made them run before Him.

Not only did He speak tender words of love to the sin-sick and broken-hearted, but He thundered strong words of denunciation against wicked men in high places. He did not hesitate to pronounce woes to those scribes and Pharisees who robbed the poor, devoured widows' houses, and slew God's prophets. "Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"

The Master of men was no pacifist in the presence of evil as so many church leaders are today. They have evolved a sickly namby-pamby Christianity. They back away from the liquor problem, gambling, immorality, venereal disease, and other evils which are destroying the moral standards of the nation. The church in many instances is little better than a good natured, comfort-loving social club instead of a mighty battler against wrong. The pacifist disease has sapped the fighting spirit of countless followers of Christ. They no longer crusade against those things which murder the souls of men.

It is time for a renaissance, a spiritual rebirth, a wakening to the presence of evils which are even more dangerous to us and worse than Nazism, for they are everywhere in Canada.

In plain language, the organized labor situation in Canada is disgraceful. It is far more a case of unions fighting each other than of unions trying to arrive at decent collective bargains. When organized labor cleans its own house, and becomes something with which business men can make bargains on a business basis, a great many of the industrialists who are now afraid of it will welcome it in their plants.

It is not by accident that the railway companies admit that 50 years of experience has taught them the necessity of collective bargaining. If the railway industry had been torn by rivalry between various groups of unions, this would scarcely be the opinion of the railway managements at this moment.

Yours truly,
N. L. B.

Oshawa.

Editor, The Era and Express: I believe it was the Duke of Wellington who said that the battle of Waterloo was won on the playing fields of Eton, but I am sure no intelligent person believes that the battle was fought on those playing fields. Likewise, today this global war cannot be won on the ice arenas of this continent. Sport has its place, and as implied by the Duke, makes a wonderful contribution to the national training and physical conditioning of youth.

But at a serious time like the present, when the various leaders of the Commonwealth are endeavoring to impress upon citizens that we stand upon the threshold of the greatest crisis that has ever confronted human history, when the flower of the youth of our country are risking and giving their very lives for the cause on which our very salvation depends, our mayor and council so forget the sense of true values as to eulogize the pushing of a puck into a net a number of times as the greatest achievement and honor brought to our town. As I listened I wondered could greater praise have been given by His Worship if Herbie had dropped 82 bombs on Berlin. The chances are that that would have gone by the board.

Again I thought as I listened of a beautiful tower at Ottawa called the Peace Tower in which is contained a Book of Remembrance on which is inscribed "They liveth for evermore," and a voice seemed to say yes, but only in the hearts of their immediate loved ones. It only happened 25 short years ago.

What have we elders taught youth regarding their achievements and sacrifice? In every town and village throughout this fair land you will find the lame, the legless, blind, etc., (heroes then) and now chiefly rated as a nuisance value. Will this be repeated?

The answer is Yes unless we

return to a true sense of values. The cry today is, for leadership. We decry and obstruct those in high places of responsibility, also failing to recognize that true leadership must come and can only come by every city, town and hamlet giving that leadership which it is desirous of getting.

A proper sense of true values must be the foundation on which a new order can stand secure. Honor those to whom the greatest honor is due and give your last for the greatest cause and always remember, that the enemies of Christ are on this earthly plane and must be subdued on this earthly plane. That is the greatest achievement and will merit and receive the greatest reward.

TO THE EDITOR

Editor, The Era and Express: You carried a very interesting editorial in your number of March 9, in which you argued that private enterprise would be much more acceptable, if industries were more ready to accept trade unions.

I admit freely that too many industrialists have seemed unwilling to accept trade unions, but is that always the fault of the industrialists?

The trade union system in Canada unfortunately consists of a lot of rival bodies, which squabble among themselves for the right to unionize industries. Not long ago a foreign capitalist started a new industry in Canada, and the first thing which he tried to do was to find how to unionize his employees. He could not do this by a company union, for that is against the law of the province in which he operates. He asked advice from the dominion and provincial labor departments, and they re-

On the Home Front too...

● When a gun goes into action every man has a job to do. Seconds count, and team work gets results.

Training... endless training... gets efficiency that makes each man part of a perfect machine.

But something more than efficiency is needed to make a top-rank fighting unit. There must be loyalty... that spirit of responsibility that each man feels toward his mates.

We've got efficiency on the farm front... we're producing more, and with less help to do it. Keep up the teamwork that will make each one of us go all out to support our men on the fighting fronts.

We too, are part of a fighting unit... citizens of a nation at war. We must not let our men on the fighting fronts down.

Invasion means high tension on the fighting fronts... combined operations... thorough team work in every detail. And that call for greater action comes back to us at home. We have a job to do here, too. We must all buy Victory Bonds. We have a responsibility to our mates on the firing line. We can't let them down.

And the job that we are asked to do is... save more, and lend more to our country. We are asked to let our country have the use of money that we do not need now. We will have the money later on to improve our farms and to buy stock and equipment; for new barns and silos; for new furnishings and conveniences for our homes.

Be ready to buy more Victory Bonds.

THIS WEEKS CHIT CHAT

There were 26 correct sets of answers sent in to last week's classified ad contest. As one word was not in the classified columns, nine correct answers were given full credit. The non-winning correct answers will be kept on file for reference in breaking future ties.

Helen McBride, Newmarket, Alvin McKnight, R. 3, Newmarket, Mrs. W. O. Carruthers, Newmarket, Lois Manning, 51 Andrew St., Newmarket, and Mrs. Ted Bailey, 28 Gormah St., Newmarket, are this week's five winners. They may pick up their prizes any evening at the Strand theatre.

These five winners will have their choice of the program at the Strand theatre on Tuesday, April 4, when Tyrone Power, Myrna Loy and George Brent star in "The Rains Came," and Ronald Coleman and Claudette Colbert star in "Under Two Flags," or on Thursday, April 6, when George Brent and Priscilla Lane star in "Silver Queen," and Monty Woolley and Gracie Fields star in "Holy Matrimony."

The correct answers were: assorted, occasional, extension, exquisite, tailors, bedsteads, destroy (which did not appear in the classified columns), profitable, cultivator and personal.

THIS WEEK'S CONTEST

The five winners of this week's contest will be guests of the Strand theatre on Tuesday, April 11, when Cary Grant, John Garfield, Alan Hale and John Ridgely star in "Destination Tokyo," and "Wagon Wheels West," a short featurette, is on the program, or on Thursday, April 13, when Maria Montez, Jon Hall and Sabu star in "Arabian Nights," and "Here Comes Elmer" is the added feature.

Contestants are asked to send their entries in on a slip of paper four by two and a half inches (4"x2 1/2"). Entries must be in the contestants' own handwriting and only one entry will be accepted from any one household.

Answers must reach The Era and Express office by 9:30 Tuesday morning.

The ten classified words have been scrambled this week, and the puzzle editor has dropped all the vowels. Here they are: LBS-EVR, HMTCTNT, HSRSLT, TY-RPN, KCJT, LNSG, SNLIG, GWRNM, TRCNC, RCLFH.

FIRE GRADUALLY EATS UP FARM DWELLING

A spark from the chimney fell on the roof of the 70-year-old house of Mr. and Mrs. Fred Andrews, fourth concession, East Gwillimbury, on Tuesday of last week, and started a destructive fire.

The fire on the roof, which started at about 11 a.m., burned slowly downward and by 3 p.m. had destroyed the house.

Mr. Andrews had gone across the road for a few minutes. His son, Morley Andrews, was away cutting wood. Mrs. Morley Andrews phoned the alarm to the Queensville central.

Neighbors were there when Mr. Andrews returned. He went into the house to phone for the Newmarket fire brigade but found that Mount Albert telephone company employees, happening along, had already removed the telephone.

Mr. Andrews and the neighbors used buckets unsuccessfully in an effort to control the fire. They were able to take most of the furniture out. Much of the furniture and clothing upstairs was lost. Two hundred bags of potatoes and a quantity of fruit in the cellar were destroyed.

Hilda Andrews, 9, sat in a chair in the kitchen unconcerned while the men carried the furniture out. Her little sister, Helen, 2, was also undisturbed by the fire.

The fire destroyed also an adjoining house used as a kitchen. The damage is estimated at \$6,000, partially covered by insurance.

FARM FORUM DISCUSSES NEXT YEAR'S BROADCASTS

Newmarket East Farm Forum group held its last joint meeting at a pot-luck supper at the home of Mr. and Mrs. Sheldon Walker on Monday. There were about 30 present.

The group discussed the type of broadcasts, literature and topics they would like to have in the national Farm Forum next year.

Some of the topics are: proper international distribution of food, rural education, soil conservation, immigration and rehabilitation of soldiers.

The joint meeting of Newmarket East, Keswick and White Rose (Gormley) Farm Forums was held at Mount Pisgah church on March 20.

INSPECTOR DESCRIBES RING ROT THREAT

"In magistrate's court Magistrate Woodliffe said that it was in the best interests of the farmer that the regulations concerning bacterial ring rot be enforced," stated R. E. Goodin, inspector under the Plant Diseases Act, following a prosecution last week.

"This statement is indeed correct, as the disease is the most infective on the market," said Mr. Goodin. "In Ontario the potato crop is estimated at well over \$17,000,000. A widespread infection of this disease can cost much to this industry. It has already cost the farmer many thousands of dollars.

"Plant pathologists state and most potato growers who have had experience with the disease readily agree that bacterial ring rot is one of the most infectious and destructive seed-borne diseases on the continent of America," continued Mr. Goodin. "The disease was first found in Ontario in 1932, when eight cases were reported. This past year 137 cases were reported to the government, involving over 1,200 acres of potatoes. Eight cases were found in York county this year. The first cases were traced to seed shipped from New Brunswick.

"The first symptoms noted in the growing plant is the leaf turning a light green or yellow and finally collapsing, showing a wilting appearance. One stem may be affected or the entire plant. Finally all the leaves shrivel up and die. Any or all the stems in the hill may be affected.

"The first symptom in the tuber, when cutting a cross-section of the stem end, is a pussy area, light brown or yellowish in color, found in the starch ring. First outward appearance on the tuber is usually seen in the form of a brownish area surrounding the first eye from the stem end. Then the skin of the tuber cracks. In severe cases the entire centres of diseased tubers completely disintegrate, leaving only the shell.

"Most decay takes place in the field previous to digging and the small amount of potatoes produced are alright for eating purposes and might be sold for that purpose. The idea of the regulations is to prevent the selling of the potatoes for seed.

"In the 137 cases reported this year the infection varied from a trace up to 35 percent complete destruction in crops, averaging well over 200 bushels per acre. Growers should be careful about their seed. They should use only clean seed, disinfected knives and bags."

TO THE EDITOR

Editor, The Era and Express: I wondered if you had room for a few rambling remarks on a very important war service.

In the first Great War and also in this one there are always groups of soldiers in their spare time arguing good-naturedly on their own home towns and what they do for their soldiers, and a Newmarket soldier has never yet had to take a back seat in respect to the backing he gets from Newmarket.

Do we ever stop to think about one of the newer ways to get behind our relatives and friends in the front line? I am referring to blood donors.

In the coming invasion, which may be started before this letter appears in print, how much blood reserves have we behind our boys, and girls also, who are fighting for us?

Many of us are too old to go overseas, but, under 60, we could easily form a reserve line in this manner and have to leave the comforts of home only for a half hour every nine weeks.

Maybe the first time you might feel a little faint for a few minutes, more likely at the thought than from any other cause, but after that you will look forward to it with pleasure and pride.

When you meet your overseas friends at the station on their arrival home let them see you wearing the neat blood donor button in your lapel, to show that you have been helping also.

When the next clinic is here, if you have not made up your mind to be a donor, just slip into Trinity Sunday-school rooms and the Red Cross ladies will be glad to show you the clinic in operation and explain everything.

You get a good medical check-up free, a good lunch afterwards and where else can you get the second or third cup of coffee at one sitting?

The doctors and nurses and assistants have been finishing up around 1 o'clock. How about having enough donors at the next clinic to keep them going till 2 o'clock?

I'll bet they will take it with a smile.

Newmarket Donor.

MARK GILLHAM DIED WEEK AFTER ACCIDENT

James Mark Gillham, King township, died on Friday at Toronto General hospital. Mr. Gillham, who resided on his farm on the 7th concession of King for some years, had lived alone. A week previous to his death he slipped and broke his hip as he went to do his chores. He got back to his home alone and lay in a weakened condition until a neighbor found him there last Monday and rushed him to the hospital.

Mr. Gillham was a member of a pioneer King township family, was born in the township and lived there all his life. In addition to farming, he was employed to clear fields of stumps by many township farmers, a task which made him known as "Stumper Mark." His wife predeceased him a few years ago.

Mr. Gillham was a member of the Church of England.

Rev. F. V. Abbott, Schomberg, conducted the funeral services on Sunday. Interment was at King cemetery.

Surviving are four children, Mrs. William Crane (Floesie), Schomberg, James A., Brantford, Mrs. Hammond Bailey (Annie), Woodstock, and Mrs. Grant Leonard (Della), Hagersville.

Morley Bain, Zephyr, won the Junior Farmers' public speaking contest. He spoke on "Essential Farm Production." He said that farmers must learn to co-operate and as loyal Canadian farmers and soldiers of the soil it would mean victory in the future.

TABLES ARE TURNED, BOYS GET NEW SUITS

Aurora high school cadets, who are getting ready for the annual inspection on April 27, have received new cadet uniforms issued by the department of national defence. The boys are more than pleased with the outfits, which are practically the same as those of Canada's fighting men.

The cadets will wear the badge of the Queen's York Rangers, with whom the corps is affiliated. The girls' costumes, gym tunics, black stockings and berets, are the same as in other years.

ALBERT LONG LIVED IN AURORA 20 YEARS

Albert Long, who for nearly 20 years was a well-known Aurora resident, died suddenly at Buffalo, N.Y., on Saturday. Mr. Long, who was in his 68th year, was born in England and came to Canada 37 years ago. He resided at Midland and Victoria Harbor for some years before coming to Aurora. A few years ago he moved to the U.S.A.

Mr. Long was an expert carpenter and for a number of years was employed with the late Fred Browning. He was a member of the Anglican church and was prominent in Orange circles, being a pastmaster of the United Empire lodge No. 643 and pastmaster of the Aurora Loyal True Blue lodge. He served with the R.C.A.F. in the last war.

The funeral service was held at Buffalo on Tuesday. Surviving are his widow and seven sons, Percy and Frank, Mimico, Cecil, Aurora, Edward, Toronto, Tpr. Gordon Long and Pte. Bruce Long, overseas, and AC2 Walter Long, Aurora, who is with the R.C.A.F., and four daughters, Mrs. Clarke Nichols, Blind River, Mrs. Herbert Harman, Mimico, Mrs. Maurice Winters, Newmarket, and Marilyn, Buffalo, N.Y.

BRAY CHICKS

PROMPT SHIPMENT

Unusually heavy hatches allow us to say, definitely, that if you order your Bray Chicks (either day-old or started) right away for prompt shipment, we can probably fill your order without delay.

That is more than we can prophesy for later in the season. Advance orders have been extremely heavy for later delivery.

But we can supply a lot of good Bray Chicks right now. And right now is a mighty good time to start chicks. Experience tells us that the highest egg prices of 1944 will be realized in September, October, November. Good Bray Chicks, started now and raised right, should be in nice production just when prices are soaring. (If you take started chicks, of course, they will be laying that much larger eggs, and cashing in on the wide fall premiums for egg size). Just to make sure, in ordering, name a second choice on breed, grade and date of shipment. (We'll do our level best, of course, to give you your first choice).

the centres concerned. The intermediate series is our own choice, largely because we have not had time to get the polls from all the boys, although we have choices from our good friends, Capt. D. B. ("Bing") Caswell of Brampton and Piper Bain of Orillia. These shall make use of before the season is too far into the land of limbo.

Intermediate hockey this season we consider might well have been billed as "the fastest hockey in the world," a term once rightly held by the pros, but now, with so many boys on active service, applicable to service hockey. The league this year was one of the strongest it has been our pleasure to follow with the possible exception of those gamecocks from Orillia B.T.C., who went down fighting in every game, although, truth to tell, out side of one or two players they didn't have much to choose from.

We doubt if there is any team in intermediate ranks today which could come close to the powerful Brampton Bullets, who won the C.A.C. hockey group and were prevented from competing for the John Ross Robertson trophy, won last year by the Aurora R.C.O.C. depot, by the army hockey ruling. Man for man we think Brampton a much better team than last year's championship team and that goes too for Sutton Greenshirts of the year before.

We believe Eugene ("Joint") McComb, who played for all three teams, will agree with that statement. McComb, by the army ruling, this year missed a chance to set a record of playing for three intermediate O.H.A. title-holders in a row and all different teams too. Even though it won't be recorded in the actual pages of hockey history we feel sure that McComb might well lay claim to that distinction.

The Bullets didn't have a weak spot and ended the season with a roster of 20 first-string players, most of whom could have won a place on any of the competing line-ups.

Ex-pros dotted the circuit this season and their styles had much to do with the calibre of hockey produced and the style of play of the opposing teams. Brampton trotted out defenceman Vern Ayres, ex-New York American, and Jack Ingoldby of the Toronto Leafs appeared at the end of the season. Newmarket had the fleet Walter Zuke of New Haven and Washington and Johnny Callanan of Kansas City.

Al Kuntz of New York Rangers was a one-man band for No. 1 C.A.C.T.R. Lin. Bend, another of the Patrick boys, scintillated mightily for No. 2, and of course the veteran Glen Brydson came out of retirement to lead T. & S. to the group finals. The ex-Maroon star was a veritable powerhouse on the attack.

We saw the teams in action in the following number of games: No. 3, ten times, T. & S., nine, Brampton, eight, Newmarket, seven, No. 2, seven, No. 1, four, and Orillia, four, and we didn't look at any of them with rose-colored glasses. By this time we think we are safe in saying that we are able to judge ability on the ice with an impartial eye, like the fellow who said about the egg, "while I never laid an egg, I can tell a bad one when I see one."

At the start of the season, we had to take into consideration, the Borden teams were obviously not in condition, and also the fact that for the most part all teams were in the process of organization. As in the past, we have had to consider the performances over the entire season and not judge by any sudden bursts of form or brief appearances. We included the play-offs in our reckoning by drawing the line for rating at a minimum of five games. Some of the boys played more than one position and if performing in a certain spot all season might have made a better showing. Necessity formed them at times or for most of the season into spots which did not do them justice all the time. We have considered this too in the final reckoning. As always happens, some of the so-called stars blew hot and cold and we have

up on the forward line was exceptionally dangerous. It was difficult to notice his real ability because he hadn't the players to go with him. In addition, his condition was not all that it might have been. There is no questioning his ability and we will go out on a limb in this nomination.

Teddy Lister of Brampton gets the nod for the second team. Lister was effective even though playing out of position. He was well up in the scoring and is an effective play-maker and back-checker. Despite his beanpole appearance Lister can stand the gaff, and keeps turning on the heat all the way. For most of the season we fancied Urb Morri-

Lin. Bend of No. 2 is not far behind the others in ability and holds the individual league record for scoring, with nine goals in one game. Bend's efforts were handicapped, we thought, by his coaching of his mates, and it might well be said that as Bend went so went No. 2. For pure speed he had few superiors if any.

Bob Bangay of No. 2 was hardly as good as in former years, perhaps because of the class of boys he was playing with. In the play-offs at his best. He has always been better offensively than defensively. Bobby McLaughlin, ex-Army Dagger, who centred Brampton's alternate line, also played fine hockey all season. "Chuck" Hamilton of T. & S., while looking less like a big-time than the other pivot performers mentioned above, played an effective game all season and got his share of goals too. He has a great fighting heart.

Walter Zuke of Newmarket is our first choice for right wing. Zuke swoops on a puck like a hawk after a bird and has the ability to get away fast. He was second in the scoring race and failed to score in only one contest. His shots were generally dead on and the goalies all feared him. We thought he had tapered off at the end of the season too finely and needed a rest or more weight to bring him back to his usual form.

Glen Brydson of T. & S. wing was our second choice. Brydson is about the best stick-handler we have seen for a long while. He uses his brains on every move and seldom makes any waste effort. His size enables him to go hard and take the knocks and his shot is perhaps the hardest in the league. His goal-scoring in a short period of time was little short of sensational. What he lacked in speed he made up in other attributes.

Right wing possessed plenty of class all the way along the line. Bobby Thorpe of Brampton was good, and in the play-offs terrific. Charlie Nesbitt of No. 2, an old favorite around the circuit, turned in some mighty fine games too. So did Gar. Preston of Newmarket. Jimmy Boddy of T. & S. in the play-offs was sensational, and much better than over the season. We could mention more too. Left wing, as usual, is the most difficult spot to fill.

Lieut. Alan Kuntz of No. 1 is our choice for the first post. Kuntz played that position in professional hockey and when played

First Objective

IN these decisive months all Canada's effort is concentrated on one great objective—the attack that is to destroy the Nazi menace and all that it represents. Years of work have gone into its preparation. The best of our young men are staking their lives on its success.

We in Canada must support and strengthen this attack with all our effort. This one purpose must command our work, our minds and our hearts.

We must not permit any scramble for private gain or individual selfish ends, to distract us from our main task. If we concentrate on seeking, individually or jointly, higher prices, higher pay or higher profits, we shall be diverting our attention from the main task at this critical time. We shall also endanger the stability of prices which we in Canada have achieved after great difficulties—a stability that is essential to efficiency and fairness in war, and to peacetime prosperity afterward.

Our young men are fighting for a Canada and a world in which all men can have faith, hope and security. Each of them wants to come back to a job—or a farm—with a future. We at home must keep secure for them a strong and stable foundation on which alone a post-war period of promise and achievement can be built.

This advertisement is one of a series being issued by the Government of Canada to emphasize the importance of preventing further increases in the cost of living now and deflation later.

DOWN THE CENTRE

(Continued from Page 6)

son and Hilliard of No. 2, two
junior speed boys off Stratford
juniors. While dangerous on the
attack, neither one liked to back-
check and when we saw them in
action other than with their own
team it decided us otherwise. Both
boys have a great future, however.
Long John Woodside of Orillia,
a native of B.C., was always
dangerous. Plenty rugged, he was
one of the bright spots in the other
wise drab team. Jack Ingoldsoy
of Brampton, who might well have
made the team, played only two
games during the season. Johnny
Cassman looked good, we thought,
in the early part of the season but
after his hand injury never really
got going again. We didn't think
he was effective when performing
at centre.

This year we have added a
seventh team to each team, and we
call him spare, or in other words,
a handyman.
By now you have probably won-
dered where we have placed Joe
Lannarelli of Brampton, the top
goal-scoring in the group and one
of the most persistent puck-hounds
in the business. Well, Joe played
every position on the forward line
and did it well too. Joe's seen
him in action on the defence in
other years and he can do a job
there too. Joe can skate with the
best too.

Lieut. Lin, Bend of No. 2 will get
the spare role on the second team.
He is another lad who can take
his turn almost any place and do
it well. Ken Wilson of No. 3 played
both on defence and on the forward
line and looked good at both
places. R.S.M. Eddie Burke of
No. 2 was another who was versa-
tile over the season and effective
in the exception of Lannarelli, were
fortunate enough to be able to hold
their positions in practically every
game they played.

Coach of the first team must of
necessity go to Capt. Bing Caswell
of Brampton. Bing had plenty of
good material to work with, it is
true, but that in itself presented
plenty of difficulty, as the more
experienced players are the
harder it is to keep them playing
hockey and satisfied. Bing was
able to do that and to keep club
harmony too. The boys can-
didn't get in the game very often
buried their feelings and did a job
when they were called upon.

Capt. Blair Cook of the T. & S.
team will be our second selection,
a fitting choice we feel in view of
the magnificent finish his team
made and their great competitive
spirit.

Well, there you are boys. We
give you the intermediate stars of
1944 as we saw them over the year.
First team: goal, George Brock
(No. 3); defence, Alex. Sandlak
(T. & S.), Jack Wheeler (New-
market); centre, "Joint" McComb
(Brampton); right wing, Walter
Zuke (Newmarket); left wing, Al
Kuntz (No. 1); spare, Joe Lannarelli
(Brampton); coach, Capt. Bing
Caswell (Brampton).

Second team: goal, Reg. West-
brook (No. 2); defence, Vern Ayres
(Brampton), Chad, Bark (No. 3);
centre, Mickey McGee (T. & S.);
right wing, Glen Brydson
(T. & S.); left wing, Teddy
Lister (Brampton); spare, Lin
Bend (No. 2); coach, Capt. Blair
Cook (T. & S.).
Honorable mention: goal, "Flash"
Abram (Brampton); defence, Ed.
Young (Brampton), Joe Fennell
(No. 2); centre, Bob Bangay (No. 2),
Bobby McLaughlin (Brampton),
"Chuck" Hamilton (T. & S.);
right wing, Bobby Thorpe (Bramp-
ton), Charlie Sesbitt (No. 2),
Jimmy Boddy (T. & S.); left
wing, Urban Morrison (No. 2),
Junior Hilliard (No. 2), Johnny
Woodside (Orillia); spare, Eddie
Burke (No. 2), Ken Wilson (No. 3).

Minor stardust: although we saw
only two junior games we talked
with Charlie Rowntree, Jimmy
Walker and Teddy Morris and
many of the district fans. In
addition we were aided by good
sports reporting by Geo. Hackett,
by the Whitty writers, Neil McE,
Jimmy Grainger of Richmond Hill
and comments from Barrie, where
all the group teams showed. These
choices are our own again, based
upon what we have seen, heard
and read. Perhaps it is hardly
sufficient to do a good job but we
hope the axes won't fall too hard.

"Red" Palmateer of Newmarket
sheds 14-year-old Norman Stundin,
Richmond Hill, for the starting
berth. Perhaps Walter Klimuk of
Whitty, who finished the season in
the Whitty nets, is more experi-
enced and a shade better but he
didn't have the same amount of
rubber to handle as either of the
other two.

Garry Carl and Carl Sellars of
Markham were both really good
but had fine defensive protection.
So we passed them over. Perhaps
district loyalty had a bit to do with
it but we don't think our infor-
mants erred far. We were not too
highly impressed with Baker of
Navy. Stundin, we think, will go
farther than any of them if he
can keep improving, and why
shouldn't he? Palmateer has both
courage and ability.

Clair Dillon of Navy was our
choice for the first defence spot.
The North Bay boy has everything
and when he appeared in junior A
both Toronto and Hamilton sports
writers went overboard for him.
Boris Tipoff of Markham gets
the spot beside Dillon but not by
much. Tipoff had a fine season
both offensively and defensively
and is a big fast boy. Del. Pettin-
ger of Navy, member of a well-
known hockey clan, was good the
night we saw him and a bit better
"Blondie" Blakely of Richmond Hill
was effective too, as were Hofferling
of Whitty and Page of Markham.

Bill Armstrong of Navy gets the
starting berth at centre and de-
servedly too, we think. Arm-
strong is plenty smooth and a real
senior player.

Wally Samanski of Whitty, while
still a juvenile, is close behind for
effectiveness and that goes for
junior A too. Next year he should
be a star for Ottawa juniors.
"Barney" Polerman of Newmarket,
Bill Lowe, Navy, Johnny Sullivan
of Richmond Hill and Bob Bowcott
and Jack Routell of Markham
all rate high both in our books and
in those of others.

Jockie Harden of Whitty, blond,
16-pound youngster, wins the left-
wing berth by a narrow margin

VISITS ALBERTA TO
PIN WING ON BROTHER

Clifford Johnston, son of Mr.
and Mrs. Robt. Johnston, recent-
ly graduated as an air gunner at
McDonald, Alta. His sister, Mrs.
Freda Fryer, travelled west to
be present at the graduation and
had the privilege of pinning on
his wing. Clifford is now home
on furlough.

Douglas Cook of the R.C.A.F.
is spending a furlough at the
home of Mrs. Percy Boag.

Pte. Jim Castle, Listowel, is
home on furlough.

The Women's Association of
the United church will hold
their regular monthly meeting
on Tuesday, April 4. There will
be a Red Cross quilt to be
quilted.

The C.G.I.T. met at the church
for their weekly meeting on Fri-
day evening. After a short
meeting they prepared for mail-
ing a box of chocolates for each
of the boys of the United church
overseas. The girls will meet
this week at the manse on Fri-
day evening.

Mr. and Mrs. Allen Sennett,
Whitty, Mr. and Mrs. Curtis and
daughter of Toronto and Mr.
Tamblin, Toronto, were guests
at the home of Mr. Ed. Norris on
Sunday.

Mrs. Hugh Shannon, who has
been visiting her sister in Holt,
Mich., for the past five weeks,
has returned home.

A banquet was held at the
United church on Wednesday,
March 22, when 120 people sat
down to a splendid supper pro-
vided by Mrs. Sennett's group
of the Women's Association.

Following the supper, Rev. R.
McMath, Newmarket, enter-
tained the company with lantern
slides of Quebec, Ontario, New-

over more experienced Bobby Stan-
ton of Navy. Both boys are deadly
marksmen and have plenty on the
bar.

Harold Gibson of Markham gets
the first call for right wing. Gibson
was a star all season and in the
left-wingers in the league had a
tough gang to deal with.

Billy Mundell of Aurora, who
played for Richmond Hill, may
come as a surprise for the second
berth. We rate him not so much
on our own opinion as of those
who should know. Mundell, like
Stunden, is a real corner and at
15 a nifty. Mort. Lang and Clair
Walsh of Navy look hard to oust
from a spot, as does Dilling of
Whitty.

There they are, some star kids
with a great future. Many of them
will be heard from in the years
to come. Others, while showing
promise, will not go much farther.
It is hard to pick them out when
they are young. As we said before,
it would have been a lot easier
picking without Navy.

First team: goal, Palmateer
(Newmarket); defence, Dillon
(Navy), Tipoff (Markham); centre,
Armstrong (Navy); right wing,
Gibson (Markham); left wing,
Harden (Whitty).

Second team: goal, Stundin
(Richmond Hill); defence, Pettin-
ger (Navy), Blakely (Richmond
Hill); centre, Samanski (Whitty);
right wing, Mundell (Richmond
Hill); left wing, Stanton (Navy).
Honorable mention: goal, Carl
and Sellars, Markham; defence,
Easterhouse (Newmarket), Page
(Markham), Chris (Richmond
Hill), Hefferling (Whitty); centre,
Peterson (Newmarket), Sullivan
(Richmond Hill), Lowe (Navy),
Rowcott (Markham), Routell
(Markham), Tunstead (Newmar-
ket); right wing, Walsh (Navy),
Jolley (Newmarket), Dilling (Whit-
by), Wolfe (Richmond Hill); left
wing, Sutton (Richmond Hill), Ross
(Newmarket).

MOUNT ALBERT William Lundy Lived in District Many Years

A resident of the village and community for many years, William Lundy died in his sleep on Thursday morning. Mr. Lundy had been in poor health for some time with a heart condition, but he was able to be up and around.

Mr. Lundy was born in Scott township and was in his 70th year. He never married and is survived by two brothers, John, with whom he lived, and Robert, Sandford, and two sisters, Mrs. Albert Cain, Sandford, and Mrs. John Cain, Mount Albert.

Rev. W. H. Burgess of the United church conducted the funeral service on Saturday afternoon at Mount Albert.

The pallbearers were H. Leadbetter, W. Dike, Harold Hayes, Tom Hayes, H. Longhurst and Bruce Rolling. Interment was made in Mount Albert cemetery.

The play, "Sunbonnet Jane from Sycamore Lane," will be presented in the Community hall on Friday evening by the Y.P.U. of the United church.

Mr. and Mrs. J. F. Burr, Richmond Hill, were guests on Sunday at the home of Mr. and Mrs. W. R. Steeper.

Keith Stokes of the R.C.A.F., Dunnville, was home over the weekend.

Mrs. Walter Pipher, Stouffville, has been a guest for the past week at the home of Mr. and Mrs. H. Leadbetter.

Miss Mildred Dike has gone to Cobourg for a couple of weeks. Mrs. William Tanson entertained a number of friends at a birthday party on Saturday evening in honor of her daughter, Wilma. Guests were present from Toronto and the surrounding community. A pleasant evening was spent in games and music.

Harry Longhurst has been in the General hospital, Toronto, for x-ray and treatment on her arm, which was broken some time ago.

Master John Renne had his head operated on at the Hospital for Sick Children in Toronto on Monday, to clear up a wound received when he was thrown out of the car last fall.

The Cheerio class met at the home of Mrs. Geo. Allison on Saturday evening. Papers on the sulphur drug and penicillin were given by Mrs. A. Hopkins and Mrs. W. MacFarland. Vocal solos were given by Mrs. Geo. Allison. There were 23 members present.

The choir of the United church held a social at the home of Mrs. W. Couper on Friday evening. A special feature was a presentation to Mrs. E. Haigh, the retiring organist, of a lovely electric table lamp. The address was read by Mrs. Boag and Mrs. H. Price presented the gift.

Mrs. Haigh, who was taken by surprise, thanked the members and said she was sorry to have to sever her connection with the choir. A lovely lunch was served at the close of a pleasant evening.

Monday morning saw about four inches of snow and it kept the residents busy for some time getting it all cleared away.

Mrs. and Mrs. Victor Anderson and Betty, Elgin, Manitoba, were guests this week at the home of Mrs. Anderson's aunt, Mrs. Thos. Watts. Mrs. Anderson was formerly Latta, Stiver of Mount Albert.

Mrs. Walter Armstrong and Mrs. Henry Yewmans spent last week in Toronto.

Mr. and Mrs. W. Draper and Ross and Mrs. Doris Stewart spent the weekend in Woodstock. Mrs. Draper's sister, Mrs. Baine, returned with them to spend a few weeks.

Mrs. T. Boden is visiting her daughter, Mrs. Pegg, Beeton.

The ladies, under the conveniency of Mrs. W. L. Carruthers, distributed the new ration books this week. This was all voluntary labor and they do a good job.

A special service will be held in the United church on Good Friday at 11 o'clock. The Gospel church will hold services in the afternoon and evening.

ELMHURST BEACH
The Elmhurst Beach Women's Institute will meet at the home of Mrs. Hodgins on Wednesday, April 5. The roll-call will be "Pay your fees." The hostesses are Mrs. L. Pollock and Mrs. Riddell.

A number of the ladies met last week and packed boxes for the boys overseas.

Roche's Point

Mr. and Mrs. Cecil J. Diamond will celebrate their 25th wedding anniversary on Saturday.

Mrs. Babb, after spending the winter in Winnipeg and Toronto, has returned to Hollywood Lodge.

Miss Velma Bosworth is also back at Hollywood Lodge.

Howard Villoughby is much improved in health and has been able to walk outside for a short time.

The congregation of Christ church, Roche's Point, is invited to attend the Lenten services at Keswick United church on Thursday evening at 8 o'clock. Rev. J. T. Rhodes will be the speaker.

The congregation of Keswick United church has been invited to Roche's Point for a service at 8 p.m. on Good Friday. Rev. Gordon Lapp will speak.

There will be services in Christ church at 11 a.m. and 7 p.m. on Easter Sunday.

AC2 Ted Sutcliffe has been spending a furlough with his mother, Mrs. J. Sutcliffe.

Miss Frances Baines, Toronto, was home for the weekend. Miss June Bunn spent the weekend in Toronto visiting Miss Helen McMahon.

Mrs. V. Bridges visited friends in Newmarket on Sunday.

Miss Emma Young is back in the community after spending some time in Toronto.

Mrs. Jud Cole was in Toronto for several days last week owing to the death of her sister, Miss May Miller.

The Women's Institute met at the home of Mrs. E. Bunn on March 21. Miss Mary Young read a paper on "Legislation."

Cigarettes have been sent to 26 boys overseas from this small community. The next meeting will be held on April 11 at Mrs. H. Tassie's home.

There will be the election of officers at this meeting.

ST. ANDREW'S LIBERALS
A meeting of the Liberals of St. Andrew's ward for the purpose of organizing the ward will be held in the town council chambers Thursday, April 6.

JOSEPH VALE, President,
Newmarket Liberal Association

SUTTON

Mr. Pritchard, Toronto, spent the weekend with his parents, Dr. and Mrs. H. J. Pritchard, at the manse.

George Holborn, R.C.A.F., spent the weekend with his parents, Mr. and Mrs. G. Holborn.

Mrs. Pearson is spending a few weeks with her sister, Mrs. Littlejohn.

Mr. and Mrs. Allan McGinnis spent the weekend with Mr. and Mrs. Frank Culverwell.

Mrs. Gordon Graydon is visiting her sister, Mrs. O. M. Beattie. Mr. and Mrs. S. A. Breuls spent Thursday in Toronto.

Mr. and Mrs. John King were in Toronto for the weekend.

Dr. Shillington is back in his office after convalescing for some time in the Sutton hospital.

Mr. Garnet Caster spent the weekend in Newmarket.

Mrs. E. Story, Toronto, spent the weekend with relatives here. Many maple tree owners of the district have reported good sap conditions.

The warm spring weather attracted many cottagers to Lake Simcoe over the weekend.

At this meeting, Wm. Marritt, Keswick, will give his talk on "Historical Research."

Mrs. Fred Somerville and Mrs. E. J. Bunn attended the blood donor clinic at Newmarket last week. Mrs. Bunn received a bronze pin for her third donation.
